WHO IS PARKINSON'S QUEENSLAND?

Parkinson's Queensland is the peak organisation in the fight against Parkinson's disease in Queensland. We improve the quality of life for people with Parkinson's, their carer's, families and friends, with initiatives such as:

- Support Groups across QLD
- Information & support packs
- Library Resources & Newsletters
- 1800 Free Call Info Line
- Education Seminars and Conferences
- Funding Parkinson's Research
- Advocacy at local, state and federal government levels.

WHAT IS PARKINSON'S?

When a person has Parkinson's disease, they are just like everyone else, except their brain doesn't send messages the same way that most people's brain

sends messages to their bodies to tell them to move properly. Sometimes people with Parkinson's hands will shake or they might stop walking and stand really still or they might walk very slowly. Sometimes speech and swallowing will be affected.

HOW WILL YOUR DONATIONS BE USED?

These funds will be used to help cover the costs of new initiatives and on-going projects including:

- Education and information for people with Parkinsons, and health professionals
- Statewide advocacy
- Funding research
- Providing our resources, Free 1800 info line and more!
